# Why sports?

- So my child can learn to work with others and be a good team-mate!
- So my child can make life-long friendships and create life long memories!
- So my child can be gracious in defeat and humble in success!
- So my child can be disciplined, focused and dedicated!
- So my child can learn to respect, not only themselves, but other athletes, officials and coaches!
- So my child learns to be proud of small achievements and work towards long term goals!
- So my child enjoys being active, maintains good health and will choose sport over any electronic device!
- So my child experiences disappointment due to an unexpected outcome, yet refuses to give up!

# Sports fee indication

## SPORTS FEES INDICATION:

Please note below is an 'indication' of what sports fees cost per student for 2023/2024.

The expectation is that all fees are paid primarily before the code starts. The fee charged predominantly covers the 'entry cost' charged to us by the organisers.

Cullinane does not profit from fees.

Fees are subject to change for the following reasons:

- The entry cost increases
- National trips – the closer the venue, the cheaper the cost
- Most sports are charged per team. The less in a team – the higher the cost per student.
- Fundraising and funding can significantly decrease the amount.

To help ease the cost of sports fees an automatic payment can be arranged. Please do not hesitate to contact our bursar, Kevin Sherman, regarding all sports fees - [k.sherman@cullinane.school.nz](mailto:k.sherman@cullinane.school.nz) or Te Mana Kaua (Sports Coordinator) – [sportscoordinator@cullinane.school.nz](mailto:sportscoordinator@cullinane.school.nz)

# Legacy Gym

The Legacy Gym is a fully equipped High-Performance Fitness Centre designed to meet the needs of our students. All students at Cullinane College are welcome and encouraged to use the facility to maintain personal health and fitness as well as strength and conditioning for sports performance. The Legacy Gym is also regularly utilised by our Physical Education classes, Rugby and Touch teams. Students are educated about the importance of correct form, loading patterns and recovery methods, allowing them to get the best out of their bodies from the hard work they put in.

# Follow us on Facebook

We like to ‘showcase’ or ‘show off’ our students as much as possible. With Facebook being a very popular social media platform, we utilize this to acknowledge and inform our parents/students/community of the following:

# Challenges

Our hardest and most challenging part of sports is finding volunteers!

It is important every team has an adult looking after them in some capacity, and teams are unlikely to go ahead if we cannot provide this.

Please if you are able to help coach or manage a sports team, contact Mr. Kaua: [sportscoordinator@cullinane.school.nz](mailto:sportscoordinator@cullinane.school.nz). Mr Kaua would be happy to lock your name in before the season even starts.
