Why sports?

- So my child can learn to work with others and be a good team-mate!
- So my child can make life-long friendships and create life long memories!
- So my child can be gracious in defeat and humble in success!
- So my child can be disciplined, focused and dedicated!
- So my child can learn to respect, not only themselves, but other athletes, officials and coaches!
- So my child learns to be proud of small achievements and work towards long term goals!
- So my child enjoys being active, maintains good health and will choose sport over any electronic device!
- So my child experiences disappointment due to an unexpected outcome, yet refuses to give up!
- So my child experiences opportunities that will build on their character and develop their abilities that will serve them well throughout their lives!

Sportcirqls -Digital Sports Programme

As a college, we have implemented a digital sports programme called "Sportcirqls"

Using this tool will allow us to effectively communicate training times, game day information, draws, and results. The use of this programme will also enable consent forms and sports fee to be processed all from one place.

The beauty of this programme is that it also has an app feature that you are able to download from the App Store/playstore which will aid in keeping you up to date with any changes that may be made throughout the duration of a playing season for your child.

We value how important communication is in our sports space, and all we want is to make life easier for parents and our athletes here at Cullinane College.

Sports fee indication

SPORTS FEES INDICATION:

Please note below is an 'indication' of what sports fees cost per student for 2024/2025. The expectation is that all fees are paid primarily before the code starts. The fee charged predominantly covers the 'entry cost' charged to us by the organisers. Cullinane does not profit from fees.

Fees are subject to change for the following reasons:

- The entry cost increases
- National trips – the closer the venue, the cheaper the cost
- Most sports are charged per team. The less in a team – the higher the cost per student.
- Fundraising and funding can significantly decrease the amount.

To help ease the cost of sports fees an automatic payment can be arranged.

Please do not hesitate to contact our bursar, Kevin Sherman, regarding all sports fees - k.sherman@cullinane.school.nz or Te Mana Kaua (Director of Sport) - sportscoordinator@cullinane.school.nz

Sport fees may vary from year to year, so there is no real set fee structure for all codes. We put down an approximate figure for indication.

Annual Sporting Opportunities

Viard Shield Term 1

The Viard Shield is an annual Catholic Schools event that is held between Viard College, Chanel College, Hato Paora, St Peters and ourselves. We all compete against each other in Athletics (both track and field events). The school with the most points at the end of the day gets to take home the shield...and bragging rights!

Entry: Students who come 1st or 2nd in the Cullinane College School Athletics are selected to compete and represent Cullinane.

Venue: Each year we travel to a different school.

Cost: FREE

Annual Sporting Opportunities

Quad Tournament Term 3

Quad tournament is another Catholic school's tournament which consists of Basketball, Netball, Football, Hockey and Rugby. Again, we compete against our fellow Catholic schools – St Peter's College, Viard College and Chanel College.

Entry: Students who play in our premier teams are selected to compete and represent Cullinane College.

Venue: Each year we travel to a different school.

Cost: FREE

Annual Sporting Opportunities

Hurricanes U15 Tournament

Our U15 Rugby Boys have a tournament hosted down in Wellington by St Patrick's Silverstream. 20 teams from across New Zealand come together to play in a three day tournament.

Entry: Team will be selected by coaches throughout regular season for this.

Venue: St Patricks Silverstream (and other surrounding grounds).

Cost: \$200.00 per student – covers accommodation and food.

Winter Tournament Week

It is seen as a privilege for students to attend Winter Tournament Week. Winter Tournament Week is made up of sports across New Zealand where schools come together to compete against each other in fierce competition!

Cullinane endeavours to send students who have worked hard throughout the year, students who have displayed our SOUL values on the field and inside the classroom; students who have demonstrated commitment, dedication, teamwork and positive attitudes.

As a school we are proud to send our students away and do everything we can to provide an opportunity where they will create lifelong moments and memories. The cost for this varies between codes and tournaments.

Legacy Gym

The Legacy Gym is a fully equipped High-Performance Fitness Centre designed to meet the needs of our students. All students at Cullinane College are welcome and encouraged to use the facility to maintain personal health and fitness as well as strength and conditioning for sports performance. The Legacy Gym is also regularly utilised by our Physical Education classes, Rugby and Touch teams. Students are educated about the importance of correct form, loading patterns and recovery methods, allowing them to get the best out of their bodies from the hard work they put in. This facility is only available for students in Year 11 - 13

Follow us on Facebook

We like to ‘showcase’ or ‘show off’ our students as much as possible. With Facebook being a very popular social media platform, we utilize this to acknowledge and inform our parents/students/community of the following:

Challenges

Our hardest and most challenging part of sports is finding volunteers!

It is important every team has an adult looking after them in some capacity, and teams are unlikely to go ahead if we cannot provide this.

Please if you are able to help coach or manage a sports team, contact Mr. Kaua: sportscoordinator@cullinane.school.nz. Mr Kaua would be happy to lock your name in before the season even starts.
